NILUs rapporter og publikasjoner 1999

Kari M. Kvamsdal

Forord

Denne rapporten er en utskrift fra NILUs rapportbase. Den gir en oversikt over rapporter og andre publikasjoner utgitt av NILU i 1999, samt eksterne publikasjoner der NILU-ansatte har vært forfatter.

Rapporten er ordnet etter rapporttype og rapportnummer. Innførslene gir en beskrivelse av hver rapport med forfattere (inntil 6), tittel, emneord, ISBN-nummer, oppdragsgiver, engelsk tittel, sidetall og pris. For oppdragsrapporter (OR), tekniske rapporter (TR) og EMEP-rapporter (CCC) er det også tatt med opplysninger om rapportenes gradering.

Artiklene er ordnet alfabetisk etter første NILU-forfatter. Disse er uthevet i utskriften.

Rapporten inneholder også et forfatterregister med henvisning til rapporttype og nummer.

Åpne rapporter, foredrag og reiserapporter kan bestilles fra NILUs bibliotek.

NILUs rapportbase inneholder også prosjektnummer og geografisk område for rapportene. Lister over publikasjoner innen enkeltprosjekter, emner eller steder kan fås fra biblioteket.
